

September 2009

Dear Ram Parents,

I would like to welcome all of our new and returning Parents to the 2009-2010 school year at North Landing Elementary School. I hope you have all enjoyed a relaxing summer and are ready to get back to school. Now is the time for us to get our school volunteer team together. Please take a moment to read and fill out the sign-up sheet on the reverse side of this letter and return to your child's teacher.

Volunteers help to make our school so great! Volunteers have a more open line of communication with teachers, and get to see their children interact in the school environment. What a great feeling you get when helping the teachers and supporting the children. Imagine the smile on your child's face when he or she sees you helping out in the school! Volunteering is a great way to meet new people and network. Regardless of the amount of time you may have to offer, your effort is greatly appreciated. We have many areas for volunteers to share their time and talents, even if it is only have half an hour a month! The school and children need you.

Thank you, I look forward to seeing all of your familiar faces as well as meeting the new ones at school. Should you have questions, please don't hesitate to contact me.
